About Your Catering Service

We are delighted to be working in partnership with your school. Founded in 1994, we are an award-winning company with a vision to encourage children to explore new tastes and make healthier food choices through their formative years, which will positively influence them for life.

What's on the Menu

Our approach, wherever possible, is to use quality, sustainably sourced, seasonal fresh food, including ingredients, such as British free-range eggs and British sourced fresh meat and poultry.

Our menus are created with local tastes and preferences in mind and offer a range of popular, delicious, full of flavour dishes to encourage balanced meal choices and we follow the school food standards.

We introduce further interest and excitement to our menus with planned additional food experiences, pop-ups, themed events with links to the school's curriculum, cultural and celebration dates, aimed at creating a fun, engaging and enjoyable dining experience.
